

### ***Providing goods or services for 100MW CSP Power Plant***

ACWA Power, established in 2004, has evolved into a leading international developer, investor and operator of a portfolio of power generation and desalinated water production Plants. SEPCOIII Electric Power Construction Corporation, founded in 1985, is a global engineering corporation that specializes in the construction of various types of power plants. ACWA Power and SEPCOIII are going to construct Redstone a 100MW CSP (Concentrating Solar Power) Power Plant near Postmasburg and Danielskuil in the Northern Cape Province, South Africa.

ACWA Power has built a Gmail Database, and companies which have already submitted to the gmail address **[contractors.redstone@gmail.com](mailto:contractors.redstone@gmail.com)** will be considered based on the profiles submitted. Other companies are free to submit profile or relevant documents to the above email address. Local based companies that have the required competence, competitive price, quality, service and experience will be given preference.

For smooth construction, various materials, equipment and services will be needed during the project in near future. We list some of them in below in this phase. If you are interested in providing these goods or service, please feel free to contact us by below email id within 7 days since the released date of this newspaper. If potential suppliers are failed to contact us within the prescribed time limit, they shall be deemed to waiver all the chances and rights related to this by themselves.

Descriptions of goods or service are as follows:

- (1) Safety boots, reflective vest, safety helmet, safety harness double lanyard & scaffold hook, fire extinguisher, first Aid box, bulk diesel, fence, building brick, crush for ready mix. - Please contact Email address: **[weimin.wang@sepco3.com](mailto:weimin.wang@sepco3.com)**.
  
- (2) prefabricate house(caravan) - Please contact Email address: **[huangshixi@sepco3.com](mailto:huangshixi@sepco3.com)**
  
- (3) RFQ for geotechnical survey, Company Qualification is CIDB 9CE, 9EP, 9SL, 9ME, 9GB; BBBEE LEVEL1 - Please contact Email address: **[shengjie@sepco3.com](mailto:shengjie@sepco3.com)**
